

**PROJECT: NATIONAL INFANTRY MUSEUM WALK OF HONOR**

SITE PLAN

DESCRIPTION

**PROJECT DESCRIPTION**

The National Infantry Museum selected GDP to construct a gated memorial park where various Army outfits can honor their fallen heroes that served throughout the world. Over 710 linear feet of 8' wide walkways and 490 linear feet of 12' wide walkways were installed to permit pedestrian access to 62 monument pads and XX brick columns with bronze plaques. An extensive landscaping package evokes the reverence of this completed project.
